Superintendent's Highlights

The district's efforts on school improvement were enhanced with the Board of Trustees appointing a Curriculum Coordinator to assist school staff in developing and writing school curriculum.

The Board of Trustees adopts individual School Improvement Plans and school principals are charged with implementing the plans.

The Board of Trustees adopted a new teacher evaluation plan that will focus on effective instructional practices, individual teacher performance, and suggested methods of improvement. The evaluation model is guided by rubrics that identify proven instructional practices, authentic assessment, and teaching strategies that produce results.

The district will complete a long-range facilities plan that focuses on plant facilities issues at McCall Elementary and McCall-Donnelly High School.
